RACE DAY INFORMATION

First let me extend a HUGE thank you from our entire team for registering for our event and helping us provide financial support for IOWA Families struggling with blood cancer. Your support is overwhelming and we hope to make your race-day experience absolutely fantastic. That said we wanted to provide you with as much information as possible to make this process very smooth. So here's the scoop for Race-Day:

Parking Map & Race Route Map:

- The Parking Map and Race Route Map is printed above so you'll know where you're going once you get to the Iowa State Fairgrounds . . . It's also listed on our web site (click the DSM Event button).
- We will have signs on the corners as well as Blood Sweat & Beers Volunteers directing traffic. Once you get parked, we will direct you to the registration table and starting line.

Your Race Bib:

- Your race bib will be included in your race-packet. It has an electronic chip on it which will keep track of your race time.
- If you are NOT running and only purchased a "companion ticket" then just tell us at the registration table and we'll check you off our list.

The Coolest Swag EVER:

- Bring your wallet (cash, check, debit/credit card) with you because we will be selling t-shirts, hats, long sleeve pullovers, and vests all with the Blood Sweat & Beers logo.
- The proceeds from these items will go directly to Iowa families struggling with blood cancer.

Post-Race Party:

- Race awards
- Jethro's BBQ & Exile beer
- Pumpkin painting
- Swag table
- Raffle
- Yard games & more!
- We should have plenty of picnic tables at the post-race party however feel free to bring your own stadium chairs and/or picnic blankets.

Other Helpful Tidbits:

- We do NOT have a bag check-in station so you will want to leave any valuables in your parked car. The parking area is very close to the post party area so you can return to your car to get whatever you need.
- Our volunteers will be wearing Blood Sweat & Beers baseball caps and running all around the fairgrounds so please don't hesitate to ask questions if you need assistance.

If you have questions, please email me directly at

It's going to be a great day and we're excited to see you!
